This course will give you insights and practical steps to break cycles of poverty and create wealth with wisdom and prosperity with purpose.

Agents of Influence

Dr. Pat Francis

This course will bring understanding and revelation on how you can fulfill your assignment as an Agent of Influence in the kingdoms of this world, commissioned by Jesus Christ to advance His Kingdom and Church on Earth. He is engaging a group of committed and passionate disciples for training, empowerment, activation and commissioning. He will open doors that no one can shut and position His Agents of Influence in Churches, Communities, Marketplace and Nations.

Anointed for Kingdom Business

Apostle Larry Bizette

This course will teach the students to apply Biblically Based Business principles and concepts to their workplace; Principles such as Stewardship, Workmanship, Ethics, Integrity, and Hearing the Voice of God in Business, as well as Servant hood and Vision.

In this course, the student will also be taught, trained, and activated in the Gifts of the Holy Spirit in the marketplace.

Each class will be followed with a short time of "activation," so that the student can actually apply what has been taught, with emphasis on the Marketplace "environment."

Apostles and Apostolic Ministry

C. Peter Wagner

This course will reveal the secrets of the fastest growing churches in all areas of the world.

Understand what the Bible means when it says that the foundation of the church is apostles and prophets with Jesus Christ the chief cornerstone. (Ephesians 2:20)

This teaching shows the role of apostles not only in the traditional church but also in the extended church.

The Apostolic Anointing

Apostle Naomi Dowdy

Commissioning - The Process, Protocol, and Importance of Commissioning Modern-Day Apostles
This course will explore the different kind of apostles today; their character, function, and responsibilities as builders and mentors establishing and expanding God's kingdom.
This will include the biblical and practical principles of apostolic anointing and commissioning.

You will understand the importance of a proper process and protocol for recognizing and commissioning those whom God has graced for this office.

Covenant Wealth

Dr. Pat Francis

In this Course you will gain new understanding of the promise, the power and the warfare for the experience of covenant wealth. God has spoken His Word over you: "But remember the LORD your God, for it is he who gives you the ability to produce wealth, and so confirms his covenant, which he swore to your forefathers, as it is today." Deuteronomy 8:18. If this word is being tested in your life, remember that the word of the Lord in Joseph's life was also tested but God's word proved to be the final truth and manifestation.

Dreaming and Designing your Destiny

Dr. Pat Francis

Your dream is the vision of your destiny. What you see in your sleep and in your heart are shadows or glimpses of your potential and destiny. In this course you learn how to understand the power of your dream and how to design for lasting legacy. Joseph had a dream that could not be destroyed by treachery, prison and all the evil schemes of his enemies. We are today the fruit of the dream and destiny of Abraham. You are born for such a time as this and your dream and destiny will be for generations as you learn to create your dream, design your dream and preserve your dream.

How to create and rule your world

Dr. Pat Francis

Like God, you have the power of choice, the power to create and the power to rule your world. Like God, you can use His method of operation to create and rule your world with the Laws of Creation and Dominion.

God wants you to prosper and this course will help you to use the Laws of Creation and Dominion to create and rule your world of destiny according to God's divine design. Instead of waiting for your desires to come by chance, you can create them by choice once you start exercising the principles in this book. This course is filled with revelation and impartation to help you to create and rule your world.

Leadership Empowerment I, II, III, IV, V

Dr. Pat Francis and Team

This is the great opportunity to learn from great experience leaders such as **Dr. Pat Francis, Dr. Chuck Pierce, Apostle Tudor Bismark, Lance Wallnau, Apostle Giulio Gabeli and Apostle Bernard Nwaka** the principles and power of leadership in the prophetic, kingdom of God, in the society and mountains of culture and in prayer. Here you will be trained by great leaders in an atmosphere of supernatural anointing.

This course provides training in Leadership, Church and Workplace Influence, and Kingdom Dynamics. Our team of instructors come with years of experience in ministry, corporate government and societal transformation. The kingdoms of this world shall become the kingdoms of our Lord, Christ Jesus through a passionate trained team of God's Kingdom Enforcers

Nehemiah: The Game Changer

Dr. Innis Howe

Nehemiah is regarded by many scholars as one of the great leaders in the Old Testament.

As we comb through the chapters of the Book of Nehemiah, you will discover how he applied excellent leadership skills to become a "Game Changer" for God and His people. In the process, he faced opposition, threats and intimidation but, he was totally reliant on God and in the end, he won in record time.

You will come to the realization that God created each of us with an innate ability to lead at different levels and in varied spheres. Upon completion of this study, I believe you will conclude that you too can be a "Game Changer" for your family, your workplace, your community and your world."

Nehemiah did it and so can you.

Powerful Women Leaders in the Kingdom

Dr. Innes Howe

In this course you will study the evidence that all people, men and women, are made in the image and likeness of God and therefore powerful to lead and do great works in His Kingdom on Earth. The Bible records many powerful women such as Eve, Sarah, Deborah, Esther, Jael, Abigail, Rahab, Mary, Priscilla, Mary Magdalene who saved Israel, lead mighty armies, killed enemy kings, and brought Jesus our Savior into our world. Powerful women are still impacting our world. Study and be inspired again that God loves and uses all willing believers.

The Blessing of Chayil

Dr. Pat Francis

CHAYIL is a Hebrew word that is rich, powerful and glorious. It describes the manifested great glory of David fulfilled to its ultimate glory and influence through Jesus Christ. In this course you will gain an understanding of the CHAYIL Glory of the LORD, its seven pillars and how you can position yourself to receive and manifest CHAYIL Glory in all areas of your life: personal, family, ministry, career, business and socially. The blessing of CHAYIL includes manifested glory in greater worship, wisdom, power, honor, favor, wealth and influence. Now ordinary people like David shall again receive and manifest the glory of God as His believing disciples: "The glory of the LORD will be revealed, and all mankind together will SEE it; For the mouth of the LORD has spoken." (Isaiah 40:5)

CHRISTIAN LEADERSHIP COURSES - Dr. Godfrey Kalibbala

This is a summary of the 10 (ten) modules that I propose to be covered based on the need I have observed among the leaders. I have provided just a summary of what the module is intended to achieve and a bit of the content to be covered.

Module 1.0: Introduction to Leadership

The purpose of this module is to provide an overview of leadership, the challenge of leadership today, the need to develop leaders and the role of leaders in furthering the Kingdom of God on the earth. The module will expose the participants to various styles of leadership but focus on Transformational leadership, Situational leadership and Servant leadership. It will also cover the attributes and character of a leader; emphasizing that the Art of leadership is in the Leader's heart.

In this module we shall also seek to inspire the leaders towards developing their leadership competence as well as for those that they lead.

Module 2.0: Leading with Purpose and clear vision

This module is intended to underscore the importance of discovering one's life purpose and having a clear vision that guides all that we do. Every leader was created to make a unique contribution; discovering and pursuing one's purpose is the essence of true success and fulfilment in life. The participants will be guided to understand how to pursue personal Vision and how to effectively support Organization Vision for those that are deployed in another person's vision or organization. The leaders will also be introduced to the concept of Shared Vision which is critical in getting team commitment. The module will also cover the discipline and structures needed to support achievement of vision. It will also cover insights on how to develop a strategy to achieve your vision and how to cast the vision to your team.

Module 3.0: Strategic Planning

The purpose of this module is to guide the leaders on how to develop a strategy to achieve the vision and developing SMART goals and action plans. They will be introduced to Results Based management, developing clear performance measures and systems to assess progress and impact of the organization/ministry. Leaders will be introduced to systems, tools and structures that enable measuring of progress to ensure maximum return on investment. I will also cover the importance of breaking down the work and aligning all that is done to the vision.

Module 4.0: Personal leadership and effectiveness

The module is intended to inspire and challenge the leaders to develop discipline for personal continuous growth and establishing accountability structures to support them as leaders. It will cover topics such as the attributes and character of a leader; "the art of leadership is in the leader's heart". Leaders will be taken through understanding and practicing Emotional Intelligence as a skill of self-management and working effectively with others.

Module 5.0: Building High-Performance Teams

The module will enable leaders appreciate the need to develop and empower teams to deliver the work. Leaders will be exposed to ways of building effective teams and leveraging diversity. Guidance will be provided on how to support and align team performance to the organization vision. They will be provided basic mentorship and coaching skill that support growth and development of their members and teams. Leaders will appreciate that the essence and true test of leadership is in the effectiveness of the people and teams they grow. Other topics that will be covered under this module will include Conflict management and delegation for growth.

Module 6. Leading the Organization

This module will enable leaders gain skills for casting the organization vision and gain commitment from the team. It will re-echo the need to bring the teams to a shared vision for sustained commitment to the organization vision. It will include guidance on setting up effective structures for coordination of the work; and establishing policies, systems, processes and procedures for organizational efficiency. The module will further include developing organization core values and building organization Culture that supports the vision; resource mobilization and stewardship.

Module 7. Leaders in the Market place

In this module, I will share the call to manifest the kingdom of God in the market place. Christian ministries need to prepare their people to impact the market place and bring about transformation in the work place. This module brings across the revelation that there are Christians whose calling is in the Market place and therefore fulfil their ministry there; their vision should be to manifest the kingdom of God so that God may be glorified in the market place. It will provide guidance on establishing altars for the market place and how to infuse Christian values in the market place.

Module 8. Leading in the Global village

This module will present the reality that we live in a global village and therefore leading across boundaries; leveraging technology to lead through the virtual platforms and social media as well as the need for leadership agility today. It will cover developing capability to lead virtual teams and the challenge of global influence on the teams we lead. It will also include leading and managing change in the VUCA world; and leading across diverse cultures.
